

ULTRA SAFETY KNIFE A58

A58 Ultra Safety Knife is the number one safety Knife. It features Auto Retracting Technology that reduces the risk of unnecessary injuries that can take place. The dual action technology also prevents the blade from accidentally protruding in your pocket.

A58 Ultra Safety Knife

- Heavy duty metal construction with comfortable rubber grip
- Blade safely retracts, even when the thumb is left on the blade slider
- Ambidextrous dual action safety knife
- Tested and used by top companies in Australia
- Easy to change blade, no tools required
- Comes with 10 rounded safety replacement blades

How it works:

1. Push forward blade slider to extend blade

2. Begin cutting while thumb is still on the blade slider

3. Blade automatically retracts after cutting finished, even when thumb is left on blade slider
